Greetings Original Carrollwood Residents!

Have a wonderful Easter and Spring! 

Our March meeting was very productive as we covered many topics with great discussion. Bryan Huls brought us up-to-date on the upcoming Carp addition to our lake on May 16. Please see his article on Page 14 and help us out with your lake contribution. Many of you responded to his article in the March *The Caroler*, and we thank you!

Kendra York is busy planning for the Easter Egg Hunt, which will be our next community event on Saturday, April 4. By the time you read this, the event will have already happened and I know the community enjoyed it.

Amy Cariello deserves special mention for her great efforts in the Standards area, thank you Amy!

Have a great photo from the neighborhood?

Send it to *The Caroler*, along with captions. We would like to feature some of your neighborhood photos in future issues!

by Mark Snellgrove, CRD President

The CRD had a great meeting in March. With a dozen residents in attendance, Board Member, Paul Siddall, did a comprehensive laptop/projector presentation which required slightly dimmed lighting to get the full affect of the colored images against the wall. The Board discussed in detail his proposal to install new fencing at OCP (behind GFS / Red Lobster), along with doubling the size of the dog run. The Board approved the project and the residents in attendance left very happy. This large expenditure is in part due to the savings of \$3,989 per month (\$47,868 for 12 months) from refinancing the loan at a lower interest rate.

Paul Siddall

In addition, Board Member, Michael Carelli, presented three bids to repair the walkway behind Bank of America that the community owns. This walkway allows residents from Butia Place, Ilex Street, Schefflera Road, Carrollbrook Lane, and Carrollbrook Way to walk behind Bank of America to get to Lake Carroll Way, so they can then cross to get to the Publix Shopping Center. The Board approved this project also, so look for work at both Origianl Carrollwood Park and behind Bank of America to begin soon.

Thanks to Board Member, David O'Donnell, for installing new soap dispensers at White Sands Beach and Scotty Cooper Park. We'll see you all at the CCA Easter Egg Hunt on April 4th.

“I have been gardening for 20 years. My passion for growing flowering plants and trees comes from a long line of gardeners in my family. Both of my grandfathers were flower gardeners. My father loves planting everything from exotic fruit trees to plants and vegetables.

The benefits of me nurturing plants and trees is solitude, sunshine, exercise and the glory of showy blooms. These gifts from God provide hours with a treasured hobby that gives back season after season.” —Mary Zarate

Members and guests will meet at 6 p.m., Monday, April 6 at the Village Inn on Dale Mabry Highway north at Humphrey Ave. Ms. Reed has announced that she will be a candidate for the Florida State Legislature in the next election.

LAKE CARROLL Contribution Request

by Bryan Huls

The CCA Lake Committee has a goal to purchase 500 weed-eating carp to help prevent the lake from becoming overrun with "weeds" (actually non-native plant species). The estimated cost for the 12-inch long carp will be approximately \$10/fish so the total funds needed will be \$5,000. We are asking each resident to help us meet this goal. The entire Community benefits from keeping our lake pristine.

Recommended donations would be:
If your home is on the Lake — \$50 or \$100
If your home is not on the lake — \$10 or \$25

But any and all donations are genuinely appreciated.

Please make your check payable to the Carrollwood Civic Association/Carp Fundraiser and send them to: Carrollwood Recreation Center, 3515 McFarland Road, Tampa, FL 33618. Payment can also be made via PayPal or credit card on the OC website: OriginalCarrollwood.com. You can also use the Lake Fund Donation form on the following page and drop it by the Recreation Center.

Thank you for helping to keep Lake Carroll beautiful!!

ON THE LAKE

Toe-side 360

by Jerrod Mills, former Hyperlite team rider
and Original Carrollwood resident

This month we will focus on the toe-side 360. Before learning this spin, you should be comfortable with toe-side 180s. This spin will help with learning a 540 and heelside 3s.

1. Approach and takeoff:

For the toe-side 360, you will want to take a gentle progressive edge with your weight even. Keep your chest up and handle low. By edging too fast, you can put too much tension in the line to make the handle pass. Give the handle a tug as you go up the wake, to keep the handle in close. The key to this 360 spin is to think of this trick as two separate 180s. You want to leave the wake like a normal wake jump: pop first, and then start your 180.

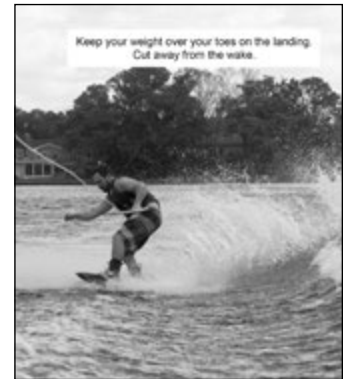

2. Handle Pass

This 360 allows you to pass the handle or land wrapped (blind). At the peak of your jump, you will start the second 180, drop your front hand from the handle and keep looking over your front shoulder. You will want to start spotting your landing as soon as possible. Pull the handle to your lower back. Reach with your front hand for the handle.

3. Landing

Keep your eyes focused on your landing area, do not look at the boat (this will cause you to over-rotate and slip out). Get your weight over your toes and cut away from the wake.

* If you are hitting the other wake when landing, you can lengthen your rope or slow the boat down a bit. This allows you to do the trick with no worries of landing on top of the other wake (a one-wake jump and landing inside of the wake.) Once comfortable, you can shorten the rope and go wake to wake.

If you have any questions for future articles, feel free to email me at: kristajerrod@gmail.com

Letters from the Residents

Bryan Huls
Lake Carroll Committee Chairman

Dear Bryan,

Along with this check for the carp, I would like to send my thanks to you for the condition of the lake. I think that Jim Powell gets the credit along with you, and you both deserve our sincere appreciation.

I have been on the lake since 1989 and the most recent years have seen the lake in better condition than any other string of years in my memory. I am talking about the fairly constant level of the lake instead of the wild swings up and down. I am also talking about the relative absence of weeds.

You are doing a great job and I am thankful for it.

Sincerely,

A handwritten signature in black ink that reads "Dave".

Dave Sage

Thank you, Paul.

I didn't say this tonight at the meeting so I would like to take this opportunity to share with you - on behalf of the many OC residents who are also dog-owners and frequenters of the OCDP - my/our thanks and appreciation for your role in what culminated tonight at the meeting vis-à-vis Dog Park fencing. Thank you again for all the work/effort/activity you put in toward that end. Please forward, if you would, this email to all the other members of the Board so that they can share in my/our thanks for their interest and support.

You and the Board are probably familiar with the name Elaine Rinicker - the dog trainer - who, in addition to contributing to the training of a number of dogs owned by OC residents (including that of my own dog Geiger) has participated in a number of well attended and publicized dog-related activities at OCP. I wanted to share with you and the Board a remark she made to me not long ago. She said that I was fortunate to live in OC, and that one of the major attractions for and inducements to prospective OC residents is (along with Lake Carroll, White Sands Beach, Scotty Cooper Park -and our annual extravaganzas on the Fourth of July, Halloween, Christmas Eve luminaries, etc. etc.) is our Dog Park.

I look forward with much anticipation to the implementation of the OCDP fencing changes/improvements approved at tonight's meeting. Thank you again.
