# CRD News

By Mark Snellgrove, CRD President

The Recreation Center recently had a new roof installed during the week of Spring Break. Since the building was newly constructed in 2007, we began to notice leaks and decided it was time because there were also missing shingles in multiple places. A big thanks to Board member Jack Griffie for overseeing the project.

Also, you might have noticed off-duty Sheriff's deputies at White Sands Beach over Spring Break. We have been doing this for several years now, and it seems to work well. The guard service is now 7-days per week, so please be proud to be an OC property owner and show your driver's license upon request, because the guard is there to make WSB (exclusive) for OC residents and their guests only. While having a guard service was not necessary 20-years ago, it is very much so now in today's world and environment.

Just a reminder that new boat decals and keys are now available as the lock was changed on February 1st. Please download the "boat decal contract" from the website and fill it out prior to visiting the office. Janet can also email it to you. Also, bring a copy of your current boat registration and trailer registration ( all addresses must match the resident's driver's license that is a C.R.D. address ). The cost is \$45, cash, check, or debit / credit card.

## OC REAL ESTATE

### REAL ESTATE 101: SPRING IS SPRINGING

By M. Wayne Wilson, Realtor, Berkshire Hathaway HomeServices Florida Properties Group, Previous OC Resident 47 years

Daylight Saving Time is now in effect. Not my favorite form of life adjustment; but that means it must be spring, one of the more exciting times of the year. I mean, we have just gone through winter where we spent our weekend time sitting in front of the TV watching football all weekend and enjoying a little lavation along with some cheese and crackers or pizza or whatever that makes us

happy. But that has now passed and we need some excitement .... like spring cleanup and preparations. So, if you have forgotten what those things are, I'm here to help with some constructive ideas.

Like most Carrollwoodians, you have a large oak tree in your yard, your roof is probably overloaded with brown oak leaves and dead or broken branches, followed by the squiggles, as I refer to them, that leave everything green and stained. Grab that blower and ladder from the garage and head for the rooftop. Now, I have to clarify that a little because my wife forbade me to go on the roof and being a good husband, I waited until she went to Publix and then I made my quick move. Not smart, but cheaper than hiring a yard guy with no insurance to cover him when he falls off the roof.

You do need to clean out those gutters so they are able to move the water to the ground rather than digging a trench along the side of your house thus undermining your foundation.

## OC Listings as of The Caroler deadline

Compliments of Wayne Wilson, Realtor®

A=Active; P=Pending; S=Sold in the last 30 days

Status	Address	Htd Sq Ft	Price
A	10511 Orange Grove Dr	1,401	\$554,000
A	10517 Orange Grove Dr	1,858	\$565,000
P	3317 Valencia Rd	1,872	\$565,000
S	11511 Areca Rd	2,250	\$559,000
S	10706 Lake Carroll Way	1,872	\$704,000

Check out your attic. Once you've bounced your head off of the first beam, keep your head low and look at the screens covering your air vents to be sure they are still in good shape to keep the critters from coming in and chewing on your electrical wiring and leaving their deposits around.

And finally, let's do a deep clean of the inside of the house. It's always fun to wash windows and clean the sills and practice opening them so you can get some fresh air during the three weeks of spring. Then there's the baseboards and moldings which have collected dust on the top of the ornate board on the floor. Have someone come in and clean out the dryer exhaust and the bathroom fans. This I want to be very serious about. I would venture to say that most of you have never considered cleaning those dryer vents, but the lint that's in those tubes is extremely flammable. Many of you have attics that have not changed since the 50's and 60's when these homes were first built. Ironically, many of these vents ended in the attic where all of that flammable material continues to pile up and create a fire hazard. If you see that, perhaps its time to get someone in to properly ventilate the hose to the outside. ☺

# Beloved Carrollwood Barber Ray Murray Passes

Dear Original Carrollwood,

It is with a heavy heart that we inform you that Carrollwood Barbershop owner Ray Murray passed away on February 17, 2024.

The Carrollwood Barbershop opened in 1962 and Ray Murray purchased the barbershop from original owner Dave Inman in 1980. Ray Murray cut hair in the Carrollwood Barbershop for nearly three decades before he retired in 2006. In retirement, he spent most his time at his condo on the beach located in Indian Rocks or traveling with his wife Brenda Murray.

Ray loved the Original Carrollwood residents very much and he made lifelong friendships with many of them. Most of you know his kids who grew up in the shop, as well as work in the shop for over 30 years. His daughter Charlene Felice has been a barber since 1991 and his son Raymond Murray II has been a barber since 2001.

Ray Murray is survived by his wife Brenda Murray; children, Charlene Felice, Raymond Murray II, Jolene Murray Bracht; grandchildren, Mitchell Felice, Matthew Felice, Meghan Felice, Matthew Kunz, Mackenzie Lastinger, Nella Bracht, Nadia Bracht, Makayla Murray and Raymond Murray III.

The Carrollwood Barbershop has been in the Murray family for 44 years and will remain a family business and Ray's Legacy will live on.

Thank you Original Carrollwood for always being there for our family.
